July 14, 2010

Dear Western Area Link,

Join us for the 2010 Leadership Summit September 17-19, 2010 at the Westin Kierland Resort in Scottsdale, Arizona. Attached is the Summit Agenda and you may register online. Chapter officers are requested and encouraged to attend; and all members are welcome. The content presented will include the latest in chapter operations and programming. Up to eighteen service hours credit will be given for those attending the Summit! The registration fee includes dinner on Friday, breakfast and lunch on Saturday, and Continental Breakfast on Sunday. The registration deadline is August 14, 2010.

Come join us - *if you want to know* about the new national theme and thrust for the next biennium – and particularly our focus for “Delivering the Promise” in the Western Area during the next year. Come join us - *if you want to learn* more about the implications of the Arizona immigration law and interact directly with civic/community leaders and elected officials. Come, *if you want to have* the essential content and tools for officer “high performance” and chapter programs. And, come to *renew, recommit, refocus, and transform...*
