

"Remembering the PledgeDelivering the Promise!"

NATIONAL HEALTH & WELLNESS LINKAGES PROGRAM
Diane Scott, Western Area Chair

Linking Health Across the Miles
From New Orleans to Zimbabwe

Through the action of Link Chapters, efforts will be made to provide health information, education, supplies and services to communities that we serve in other countries.

Activities include:

- Hospital Equipment Deployment
- Strategic Planning
- Training and Research
- Sharing of practices that work
- Collaborations with other chapters or organizations
- Sustainability strategies
